

Performance Measurement Update

Exactly how effectively does your facility manage depression?

Audit care and track outcomes so that you know ...

- ✓ What percentage of residents have depression
- ✓ Was depression identified by interview or observation
- ✓ Which residents are depressed
- ✓ Are depression scores improving or deteriorating

One report can give you all the answers ...

 Cognition (BIMS®) and Depression (PHQ-9®)								
Facility: Demo Home XXXX Execution date: 03/08/2011								
BIMS	Facility Average	Based on (# of residents)	SEVERELY IMPAIRED Number of Residents with 0-7	MODERATELY IMPAIRED Number of Residents with 8-12	COGNITIVELY INTACT Number of Residents with 13-15	Residents not Interviewed
